

## **Auto Body/Collision Repair Technician (Fowlerville)**

Dick Scott Automotive Group is looking for an Auto Body Technician to join our team. The Automobile Body Technician repairs damaged body parts and bodies of vehicles in accordance with factory and dealership specifications, using hand tools and power tools.

Chrysler dealer service center departments are clean, safe and state-of-the-art. The jobs are challenging and extensive training is provided available to those who are career focused.

### **DUTIES AND RESPONSIBILITIES MAY INCLUDE:**

- Examine damage vehicles, read and understand body repair estimates
- Remove upholstery, accessories, electrical and hydraulic window-and-seat-operating equipment, and trim to gain access to vehicle body and fenders
- Fill depressions with body filler
- Remove damaged panels
- Bolt or weld replacement parts in position, using wrenches or welding equipment
- Straighten bent automobile frames
- File, grind and sand repaired surfaces
- Refinish repaired surface
- Aim headlights, align wheels, and bleed hydraulic brake system
- Repair or replace defective mechanical parts

### **Job Requirements**

#### **QUALIFICATIONS:**

- Two (2) years of experience as a vehicle body repairer or apprentice
- Working knowledge of all aspects of repairs for damaged body parts and bodies of vehicles
- Valid driver's license
- State of Michigan mechanic certificate in body repair required

#### **WORKING CONDITIONS:**

This is a physically demanding position.

- Will stand six to eight hours per shift
- Will lift parts weighing up to 70 pounds
- Will be exposed to noise, vibration, dust, exhaust fumes, paint, and other hazardous and non-hazardous material

Our full time employees are offered the following benefits: Medical, Dental, 401(k), Long & Short Term Disability, Paid Vacation Days, Paid Holidays, Employee Discount Program, and MORE!
