

TRANSMISSION TECHNICIAN (Plymouth)

Dick Scott Chrysler Dodge Jeep Ram is currently seeking an experienced and State of Michigan Certified Automotive Transmission Technician. Chrysler Certification preferred. Only experienced candidates with State Certification will be considered.

As an Automotive Technician you will be experienced and aware of the latest automotive technologies and be a persistent problem solver. Automotive Technicians will quickly and efficiently perform routine maintenance as well as identify the cause of breakdowns and repair them using the most optimal solutions.

Job Responsibilities:

- Confer with customers or service advisors to obtain descriptions of vehicle problems and discuss work to be performed and future repair requirements.
- Test-drive vehicles and test components and systems using diagnostic tools and special service equipment.
- Perform quality inspections of vehicle repairs prior to returning the vehicle to the customer.
- Diagnose, maintain, and repair vehicle automotive systems including engine, transmission, electrical, steering, suspension, braking, air conditioning, etc.
- Communicate directly with the service advisor so that customers can be informed if any additional service is needed; provide an estimate of time needed for additional repairs.

Execute repairs under warranty to manufacturer specifications.

Job Requirements:

- Chrysler certification HIGHLY PREFERRED
- ASE Certifications or 5+ years' experience REQUIRED
- Team oriented, flexible and focused on maintaining a high level of customer service
- Must have working knowledge of shop equipment such as wheel and tire equipment, alignment system, diagnostic equipment, AC equipment, etc.
- Must have valid driver's license and good driving record

Candidates should forward their resumes in confidence via email to Apply@DickScott.com
